0 Distance in Miles 1/2

Owned and managed by Massachusetts Fish & Wildlife, Crane Pond WMA contains 2,576 acres spread across four towns and lies within the Parker River watershed:

**No motorized vehicles. Police take notice!**

**Please use caution and wear orange during hunting season. There is no hunting on Sundays.**

Many of the old roads and trails throughout this forest are flooded in places and are best accessed in winter.

Main trails      Single-track or less frequented trails
